

Measures COVID-19

We're looking forward to seeing you at our location. As HilverdaFlorist it is our priority to keep everyone safe. Due to the COVID-19 outbreak we've taken extensive precautionary measures to guarantee a comfortable and safe environment. One of those measures is that you can only visit us with an appointment and within a set time slot. There is a maximum number of visitors that are allowed at the same time. This way we can guarantee the 1,5 m distance and a safe environment. We ask for your understanding and to comply with these measures.

- Don't come too early. Preferably you arrive just 5 minutes before the agreed time.
- You will be welcomed by a colleague of HilverdaFlorist with a smile, but we will not shake hands.
- On location there are dispensers with disinfecting gel at the entrance. At the entrance everyone has to disinfect his/her hands.
- Keep a 1.5m distance during your visit.
- In some areas of the building wearing a face mask is mandatory.
- The pre-arranged start and end time must be respected.
- In the unlikely event that the maximum number of visitors has been reached, you may be asked to wait outside the presentation area.
- In case you have a cold, fever and/or trouble breathing (such as asthma) or people within your household, please stay at home.
- If you have the above mentioned complaints and still choose to visit us come, you may be denied access to the HilverdaFlorist location.
